

## TADAO

DOUBLE  
design Vico Magistretti  
1993

A bed of Oriental inspiration, elegant and clean-cut.

The mattress support consists of strong slats that continue upwards to form the headboard. Tadao is available in Larch (polished or matt finish), in Canaletto walnut, in oak coffee, in the scratch-resistant surface finishes Style (sand colour), Epoque (white and grey colours) and River (dark nut and light grey colours) and in primitive wood (oak wood reclaimed from beams, planks and facades of historical buildings, aged naturally during 200-300 years of exposure to the elements).

Tadao in primitive oak is produced in a limited annual edition, depending on the supply of materials.

The timber, marked by the signs of time, makes each piece precious, unique and unrepeatable.
