An important double-size bed with class. The bed is embellished with elegant metallic trims. On the sides of the headboard, the trim “anchors” the covers, exalting the softness of the ensemble.

The three finishes of the trim (polished gold, matt burnished, polished black nickel) have been devised to match the range of cover materials available.

Available with fixed base h 25 cm, storage base or base with electrical movements.

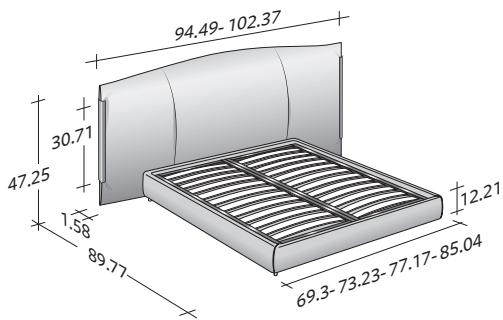

The covers of the base and the headboard are totally removable and available in fabric, leather and Ecopelle.
