The two- or three-seater sofa and the armchair, are embellished with a second outer padded cover. Further element of elegance is the piping on the seat cushions and along the perimeter of the second outer cover, in a “tone-on-tone” or contrasting color. The sofas and the armchair are available with a cover in fabric, leather or ecopelle.

Their elegant style is combined with excellent performance: the structure cover is removable, the outer padded cover is equipped with hooks and can be easily detached. The seat cushions are available in two versions: one more rigid and one more soft. Further comfort through cushions with support padding and decorative cushions.
