

NOTTURNO SHABBY CHIC

SINGLE

design Centro Ricerche Flou 2015

Clean, simple and elegant lines have produced an 'evergreen' bed to suit every style and taste, every ambience and every furnishing choice. The 'Shabby Chic' version projects a clearly contemporary orientation, enhanced by trendy covers, delicate colors with a deliberately well-worn appearance. The headboard is linear and smooth; it is padded and finished, like the base, in completely removable covers in fabric, leather or Ecopelle Dollaro. Available with box-spring base Comfort, storage base, fixed base, or base with an electric movement control.
