

## LOTUS

NIGHT TABLE  
design Emanuela Garbin  
2021

Night table with a simple design and a light image, thanks to the curved metal structure that allows for stability and strength, with minimal edges and thickness. Available in the finishes anodic bronze, white, matt burnished, black, greige, oxide, silver oxide and desert rock, it is equipped with a drawer and three shelves.

The raised edge of the top can be completed with a hide pad that matches the metal finishes.
