

GAUDÍ
ARMCHAIR
design Matteo Nunziati
2021

Armchair and a corner armchair with a single armrest: versatile seating units that complete dynamic living and conversation areas or that can sit alongside other upholstered pieces of the collection.

The absolute protagonist is heartwood (in natural, coffee-stained and black-stained ash or natural, coffee-stained and grey-stained iroko finishes) that, starting with the feet, continues to the armrests, creating a sinuous structure to support the soft upholstery and cushions. The completely removable cover is available in fabric or leather. The Gaudí armchairs are also available in a special version that is ideal for sheltered outdoor spaces (with frame in Iroko wood and compatible covers for this specific use).
