

GAUDÌ

BENCH
design Matteo Nunziati
2023

The Gaudí bench explicitly takes up again the distinctive features of the bed and upholstered items in the same series, with exposed solid curved wooden feet (in natural, coffee-stained and black-stained ash or natural and coffee-stained iroko finishes) and a soft upholstered seat, whose upholstery is embellished by visible seams.

It is a versatile item that can be placed at the foot of a bed, in a transition area or to complement a living room.
