

MYPLACE

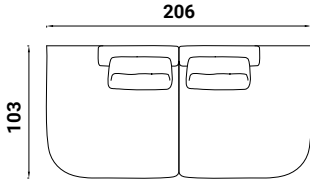

CANAPÉ
design Emanuela Garbin
2019

Le canapé modulable MyPlace répond aux attentes les plus exigeantes en termes de détente et de confort. Trois profondeurs d'assise et la liberté de composition des assises, des accoudoirs et des dossiers permettent une personnalisation ample et variée afin d'obtenir des compositions droites ou angulaires, placées contre un mur ou protagonistes centraux du living.

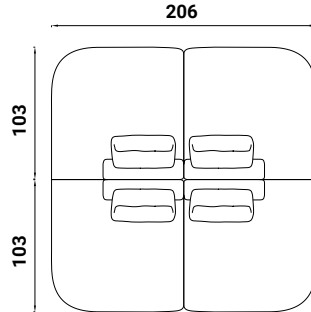

Revêtement en tissu ou en cuir complètement déhoussable; les pieds peuvent être carrés ou cylindriques avec finition brunie mate ou nickel noir brillant.
