Céline, roomy, deep and cozy, is an armchair-chaise longue that can be rapidly transformed into a comfortable single bed (mattress size 90x200 cm.) or a large sofa that can be rapidly transformed into a double bed (mattress size 160x200 cm.). Both versions are available with a completely removable fabric cover. The cover can be in one colour or in a choice of two colours of the same fabric: one for the external cover of the backrest and the sides of the seat cover, the other for the internal part of the backrest and the upper part of the seat cover. Both versions can be fitted with a Memoform or Special mattress that folds and unfolds on the pull - out fixed slats frame fitted with wheels when you need to transform the armchair into a single bed and the small sofa into a double bed.
