

GAUDÍ

DOUBLE
design Matteo Nunziati
2020

The bed Gaudí is a tribute to wood, a natural element par excellence. The headboard and footboard in solid wood, available in natural, coffee-stained and black-stained ash or natural and coffee-stained iroko finishes, are the result of precious artisan processes; they create a sort of sinuous framework ready to receive the upholstery in fabric or leather.

The cover appears to simply rest on the frame, embracing the wood and following the natural shapes. In reality, it is the fruit of a complex and highly detailed design study, to exalt the beauty and purity of wood and give the bed a welcoming and exclusive appearance. The mattress support of Gaudí is with fixed slats with rigidity adjustment.
