

MYPLACE

DOUBLE
design Emanuela Garbin
2020

MyPlace is a double-size bed with a modern line, a contemporary re-interpretation of the classical Flou upholstered beds, re-iterating and increasing their strongpoints: an incredibly tangible feeling of comfort and welcome.

The base is soft, the headboard is high and thick, deliberately richly padded, like an enormous pillow ready to relieve our tension.

The proportions of the bed have been carefully studied and enhanced by high mattresses.

MyPlace is available with boxspring base Leonardo, base H25 with fixed slats with rigidity adjustment, storage base and base with electrical movements Motion 4.
