LAMPADA DA TAVOLO · TABLE LAMP  
LAMPADA DA TERRA · FLOOR LAMP

design Matteo Nunziati 2022

Lampada da tavolo e da terra con struttura in ferro verniciato con polvere epossidica color brunito opaco.

Paralume in pelle intrecciata pelle.

Diffusore in vetro pirex sabbato, attacco per lampadina E27.

La rete viene tinta nella stessa tonalità dell'intreccio.

Standard and table lamps with an iron structure coated with matt burnished epoxy powder paint.

Shade in woven leather. Inner cover for the light bulb in sanded Pyrex glass, socket for bulb E27.

The string of the lampshade is dyed in the same colour as the woven leather.
