SMALL TABLE
OUTDOOR

Metal round coffee tables in four sizes and different finishes that allow them to be used outdoors: anodic bronze, matt burnished, white, black, greige. The curved base and the variety of heights are carefully studied to allow them to lie close to each other and to the poufs of the same collection, creating original and playful compositions that are never the same.

A cover in waterproof and breathable polyester fabric allows the coffee tables to be kept in good conditions when not in use and it protects them from atmospheric agents and from the effects of sunlight.
